

# Annex 3.4 - 1st iteration EJKSMB schedule

NOTE 1: In row "Module" indicate a timetable of each Module (1-10) by differentiating three phases of learning for each Module: (1) Independent learning phase (ILP); (2) contact week (CW), (3) experiential learning phase (ELP) - e.g. M1-ILP. The calendar for Stage 3 (dissertation phase) shall be also indicated.

NOTE 2: In row "QA" indicate a timetable for activities under QA framework

| 2025                                                 |                                                       |       |       |       |       |                                                                                                            |       |       |       |        |                                                                                  |        |        |        |        |                                                                                               |        |        |        |        |                                                                                    |        |        |        |        |                                              |        |        |        |        |                                                      |  |  |  |  |
